Mount St. Helens

Explosive Evidence for Creation

I would like to personally thank you for watching the Origins program. Origins was a special program, near to the heart of my late husband, Russell Bixler.

I trust that the information in this presentation will be helpful in your study of creation science. Thank you for your prayerful and financial support of Origins...you're making the television production of this program possible.

Norma Bixler
Come, behold the works of the Lord, Who has made desolations in the earth. 
Psalm 46:8
Stratification Formed Rapidly
Erosion Features Formed Rapidly
